Outdoor Fitness

About Us

The ExoFit executive team brings with them over 50+ years experience designing and building project in the Parks and Recreation industry.

We realize that not everyone can afford a gym membership or that they might feel intimidated being in a commercial gym environment. ExoFit gives communities the opportunity to get healthy and maintain active lifestyle while enjoying the outdoors.

ExoFit provides a full body, outdoor fitness gym to help people meet their physical goals. The equipment is durable enough to withstand the harshest environments while being used in an unsupervised park environment.

ExoFit helps you take your fitness outdoors!

Mission

ExoFit is committed to enhancing the quality of life through physical fitness outdoors. By providing functional, durable and safe outdoor fitness equipment, we can help do our share in making the world a healthier place to live...one community at a time.
